Any questions? Text me in TEAMS!

If not, you can play with this game to practice. You print it or do it on a piece of paper, then cut the cards and match the words with the pictures. You can play with someone in your family. You put the cards upside down and try to match the word with the picture. You can also make more cards to play with the vocabulary that you can find above.

Play this game: emparejar las cartas. Puedes imprimirlas o dibujarlas y jugar. Se ponen boca abajo y se van emparejando.

Puedes añadir más cartas con el vocabulario de arriba.
