| <h2>WEEK 12 ENGLISH</h2> | |
| <h3>HUMAN RELATIONSHIPS: FAMILY</h3> | <h3>CHILDREN OF THE WORLD</h3> |
| <p>This week I would like to say <u>thank you</u> to all the members of your family that helped you along these 12 weeks with the school tasks.</p> <p>Task 1: You can send a photo of those who helped you with the tasks (mum, dad, elder brothers or sisters, grandparents...). I would like you to <u>write a brief text</u> about this person and send me a photo of this text for me to read and send you an audio. Then you have to practice the audio at home and send it back to me. I'll put all the audios and photos I get on the weekly sway.</p> <p>(Escribe un breve texto en inglés sobre la persona o personas que te ayudan en casa con las tareas. Envíamelo y yo te lo leeré en un audio que debes practicar. Cuando estés segur@ de que te sale bien y fluido, grábate y envíamelo por email para que yo lo pueda poner en la presentación sway. Es nuestro pequeño gran homenaje a tod@s l@s que os han apoyado a vosotr@s y a nosotr@s en esta situación tan peculiar que nos ha tocado vivir).</p> | <p>Task 2: Watch this video. I know the song is in Spanish, but it is a beautiful song that I would like to dedicate to everyone of you: my students.</p> <p>https://www.youtube.com/watch?v=Ay3cifZB9VE</p>  <p>Que Canten Los Niños, Juana, Canción Infantil - Canticuentos</p> <p>Task 3: Read and understand my advices (use a dictionary or ask a friend if necessary).</p> <p>Try to be happy. Try to help your parents at home in this difficult situation.</p> <p>Try not to be lazy. Effort is very important to reach every goal in our lives.</p> <p>Be brave enough to say no to those machines and technologies that are a waste of time. Read a book, draw, write, do a puzzle, play with your hands, with your toys. Be creative. Let your brain think. Use the technologies only when necessary. Mainly to learn and work.</p> |
