FRANCIA

BIENVENUE AU LYCÉE COËTLOGON

An abstract geometric artwork composed of a grid of squares and rectangles. The top-left square is divided into four quadrants: top-left is yellow, top-right is red with three white triangles, bottom-left is red with a white semi-circle, and bottom-right is black with a white semi-circle. The top-right square is dark blue with a red semi-circle and a series of concentric white arcs. The middle-left square is white with four horizontal black stripes. The middle-right square is dark blue with a series of concentric white arcs. The bottom-left square is divided into four quadrants: top-left is red, top-right is black, bottom-left is red, and bottom-right is black. The bottom-right square is yellow with a large white circle. The bottom-right square is white with a large black circle.
