

2º BILINGÜE – ACTIVITIES 11th May – 22nd May

Teachers:

Vita Bax

Teresa Alonso Martínez

INSTRUCTIONS

During these 15 days, you are going to prepare a project (Power Point) on a piece of artwork. This is an interdisciplinary project, with the cooperation of the Arts Department in our school. You will use the Internet to investigate and your art previous knowledge to analyse your choice.

1. You have to choose a **famous artwork** from any period of time. Taking into account that, apart from the PowerPoint, you will also have to represent that artwork yourself.
2. Make a little bit of research and include this information in your Power Point:
 - The author.
 - The period of time in which the artist created it.
 - The style of the artwork.
 - Description.
 - Reasons for your choice.
3. Do not copy literally from the Internet. Try to use your own words and the useful vocabulary and phrases attached.
4. Include photos.
5. Take Vita's video and photos as an inspiration for you
6. We'd like to see your artistic side and enjoy your creativity.

During this time, you will also revise basic grammar points with the photocopies previously sent to you plus the one enclosed here.

ENJOY YOUR ACTIVITY!!!!!!
