

AN IMAGINARY PLANET

NAME _____

Describing An Imaginary Planet

Imagine that you are on a completely different planet... This planet looks interesting, mysterious and strange. Nothing looks like Earth. Close your eyes and try to put an image of this place in your mind.

Draw and label a picture of your planet in the box below. If you need them, you can also use some of the words in the word bank.

oceans, craters, rings, mountain, water, aliens, spaceship, moon

Today you are going to write a description of that new planet.

Before you write, you are going to plan your writing carefully using your picture and the planning sheet on the next page.

You will be marked for:

1. your notes on the planning sheet
2. how you organize your text
3. the content of your text.

Title: What is the name of your planet? Choose a good name to describe your planet.

Paragraph 1

Complete the sentence

Welcome to planet _____ (name of your planet)!

Write a sentence so that the reader gets interested in your writing.

Paragraph 2: Describe your planet.

- 1) What does it look like?

- 2) Compare your planet to Earth.

Paragraph 3: Describe life on your planet.

What things can/can't you do on your planet?

How is life different on your planet?

Conclusion

How do you feel on your planet?

Tell people why they should visit your planet.

Now write your text using all the information from your planning sheet.

Name _____

[A large section of the page containing multiple horizontal lines for writing the main text.]
